

YOUR

CF CARE CENTER

CONVERSATION GUIDE

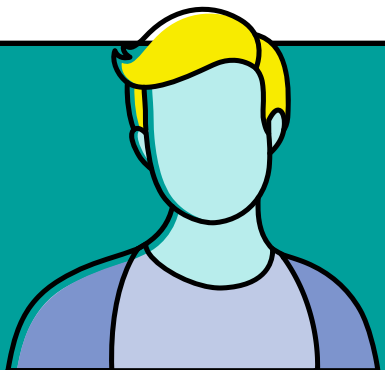

To get the most out of your child's cystic fibrosis (CF) Care Center visits, select the profile below that feels most like you. Then you'll be on your way to creating a customized conversation guide.

CHOOSE YOUR PROFILE

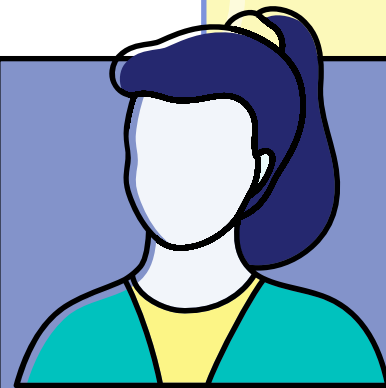

My child was recently diagnosed and I'm new to CF Care Center visits.

GET STARTED

My child and I are still getting familiar with CF Care Center visits.

GET STARTED

At this point, my child's CF Care Center visits are routine.

Appointment Information

Type or write your information into these fields.

Date: / / Time: AM PM

Address:

Doctor's Name:

Current Medicines:

Questions for the Care Team

Need some inspiration? Try these prompts:

- What to keep in mind before each visit
- The roles and responsibilities of your child's CF Care Team
- What tests will be done at each visit (eg, blood tests, spirometry, throat cultures)
- What each test result means
- What CF disease progression looks and feels like
- What to look for or pay attention to between visits
- Your child's treatment plan

I want to ask the care team:

My most important question is:
